

Teen Conference

What in the World—view?

What in the world do Islam, Hinduism, Buddhism and Popular Spirituality teach?

How about Secular Humanism and Postmodernism in America today? And the popularity of Mormonism? Do any of these religions or Worldviews affect me?

Have you heard of the "Pick what-you-want-to-believe" worldview? Or, the religion that is just a collection of different religious beliefs?

How should we respond to Allah, Karma, and extra-biblical writings?

Teen Track 2018 examines popular World Religions and Worldviews around us today. We'll be using the book, *World Religions from a Christian Perspective*, as a springboard for learning and activities.

Join your friends and find out "What in the World—view" is going on!

This apologetics course is taught by Pastor Timothy Schmidt and Deb Badeer.
